

SUBCONTRACTING ARRANGEMENTS

2024 List of Trainers/Assessors Subcontracted

Parker Brent Pty Ltd has engaged the below listed trainers under a sub-contracting agreement. The subcontracting arrangement is for the delivery of the whole training program by the subcontractor. The below listed trainers/assessors will be the only persons who will be delivering the training in their respective classes. The subcontractors will only deliver each unit of competency in the qualifications they have been sub-contracted to teach as directed by Parker Brent and using Parker Brent training materials and resources.

The enrolment and Pre-Training (PTR) process will remain the responsibility of Parker Brent with NO involvement from the subcontractor. Parker Brent will administer the training program, provide all relevant support to students, training and assessment materials, and maintain responsibility as the registered training organisation, including issuance of AQF certification documentation. The subcontractor will have no involvement in marketing of the training services.
