Parker Brent has done a very well strategic course outline. It makes it easy to understand and convenient for students to go through the coursework and gain the experience and knowledge that is required to reach my industry goal.

**Zachary Gill**

[Click to see Zachary's Google Review](#)

The classes are really involved and interactive, teachers are knowledgeable and have personal experience.

Parker Brent staff have checked in a few times and have been amazing and super responsive, really feel like they care about our ability to not only pass but do well in the course.

# LEARNING OUTCOMES

The Advanced Diploma of Building Surveying CPC60121 will help you to:

Increase your job opportunities and business prospects

Apply building codes and standards

Prepare building contracts and apply for permits

Manage on-site work

You will be prepared to handle roles such as:

**Building Certifier** | \$90,000-\$110,000

**Building Inspector** | \$104,000-\$120,000

**Building Surveyor** | \$110,000-\$130,000

## Duration

This qualification requires class based online learning (real time) for **two evenings a week** from **5.30pm to 9.30pm** over **89 weeks**.

This qualification will involve:

-  Dedicated classes to introduce key topics, solve problems and work on the assessments
-  A minimum of 2 hours per week of self-directed research
-  Learning supported with access to online resources via the Learning Management System (LMS)
-  Training support via phone/email from Trainer

## Entry Requirements

All entrants must be a **minimum of 18 years of age** at the time of enrolment. Parker Brent will ensure the program is suitable to your needs, skills and experience.

Prospective students must be able to demonstrate that they are genuinely interested in undertaking a course in building surveying, have a **minimum of 5 years' experience** working at a **supervisory level** (such as builder, site manager etc.) in the building and construction industry, and/or the course aligns with their career outlook.

Students will be required to have:

-  Suitable level of English language, literacy and numeracy skills
-  A current Construction Induction Card (White Card)
-  Access to a building and construction project worksite or access to the Parker Brent Simulated Working Environment in Lalor
