Fee Information

5 *This is an ongoing promotional fee for students who have completed the 'CPC40110 Certificate IV in Building & Construction (Building) OR CPC40120 Certificate IV in Building & Construction (Building)' with Parker Brent, who wish to continue their study pathway into the 'Diploma of Building & Construction (Building)'. All other fees and charges remain. Please ensure you read and understand the terms and conditions of your enrolment with Parker Brent, prior to application. Parker Brent reserves the right to discontinue this promotion at any time.*

6 *This is an ongoing promotional fee for students who have completed the 'CPC40110 Certificate IV in Building & Construction (Building) or CPC40120 Certificate IV in Building & Construction (Building)' with Parker Brent or another Training Provider and have obtained Credit Transfers for the units which are part of the CPC50220 Diploma of Building and Construction course.*

7 *This is the Maximum scheduled hours to be undertaken after Credit Transfer units have been issued depending on whether CPC40110 Certificate IV in Building and Construction (Building) or CPC40120 Certificate IV in Building and Construction (Building) has been previously completed.*

Please note:

- The student tuition fees as published are subject to change given the individual circumstances at enrolment
- Tuition fees include the cost of all courseware, training, and assessment
- If you wish to see whether you may be eligible for Victorian Government Funding, please visit https://www.skills.vic.gov.au/s/
- RPL fees are: $500 per unit of competency for Certificate IV, $600 per unit of competency for Diploma and $1,500 per unit of competency for both Advanced Diploma of Building Surveying and the skillset CPCSS00005. All RPL fees are payable upon application for each unit of competency
- After a total of three (3) attempts, re-assessment of units will incur a fee of $150.00 per attempt
- Full Fees are set as a fixed total amount and are not calculated on a per-unit basis.
- Where a student enrols in individual units only, fees may be charged on a per-unit basis. These fees will be clearly outlined in the students' invoice, statement of fees and/or fee instalment schedule (where applicable)
- A Statement of Fees will be provided to all students during the enrolment process. The Statement of Fees will provide each student with an accurate indication of their fees based on individual circumstances. Full Fee/Fee-For-Service students will also receive a Fee Payment Schedule detailing full fee payment instalment stages.
- Students wishing to access Victorian and Commonwealth Governments Funding must be aware that accessing this program may impact on their eligibility to access further Government funded programs in the future
- Enrolment into the self-paced skill-set CPCSS00005, CPC40120 certificate IV in Building and Construction (Building) and CPC50220 Diploma of Building and Construction (Building) courses are valid for two (2) years from the date of enrolment, or 1 year after the date of release of the replacement of the training package on the National Register (in accordance with clause 2.1 (e) of the Standards for Registered Training Organisations 2025 (whichever is sooner).
- Enrolment into the self-paced CPC60121 Advanced Diploma of Building Surveying course is valid for three (3) years from the date of enrolment, or 1 year after the date of release of the replacement of the training package on the National Register (in accordance with clause 2.1 (e) of the Standards for Registered Training Organisations 2025 (whichever is sooner).
- Please refer to our Fees and Refund Procedure available in the Student Handbook
- All terms and conditions are provided to each student upon application. This Fee Information document should be read in conjunction with **the Student Handbook.**
